RE: MICKENS V. CLARK et al  
CIVIL DOCKET #1:18-CV-00005-RAL

Dear Judge Baxter:

On December 17, 2019, I forwarded to you a letter explaining that I have filed a (2) motions with the Court, one of which I filed directly to your office due to the prior Motion having gone unresponded.

On 10.16.2019, I sent to your office (PLAINTIFF'S OBJECTIONS "EXTRAORDINARY CIRCUMSTANCES" MAGISTRATES' MEMORANDUM OPINION GRANTING DEFENDANTS' MOTION TO DISMISS). The Motion was never processed with the Clerks office and had gone unanswered by you.

On 12.16.2019, I sent an inmate request slip to the mail-room supervisor requesting that the Motion sent to your office on 10.16.2019, certified mail be tracked. On 12.19.2019, the mail room responded see inmate request attached hereto.

Also attached hereto is a copy of the USPS Tracking History which states:

Tracking number 70100290000205315517

Your item was delivered to an individual at the address at  
10:17 am on October 21, 2019 in Erie, Pa 16501.

You will find that the tracking number attached is that and the same as that of the inmate cash slip processed by the mail-room on Oct. 17 2019, and forwarded to the Court on 12.17.2019.

This demonstrates that the Plaintiff was actively and diligently seeking redress as a pro se litigant in forma pauperis and could not have failed to prosecute his case in the Court of Appeals which held no jurisdiction. Where clearly the Civil Docketing statement sent to plaintiff states:

(57) 10/02/2019, Notice of Appeal as to 56 Memorandum Opinion & Order, by Robert Mickens, SR. Motion for IFP Granted, certificate of Appealability N/A.

Plaintiff respectfully request that His Honor, accepts as filed Plaintiff's re-submitted Objections of 10.16. 2019, as plaintiff demonstrates that he was diligently pursuing his right to due process.

I thank you for your time and consideration concerning this matter.

Sincerely,

  
Robert Mickens Sr.
